Planting the seeds

Our Vision

Provide a world-class Club experience that assures success is within reach of every young person who enters our doors: all members on track to graduate from high school with a plan for the future, demonstrating good character and leadership, and living a healthy life.

Our Mission

To empower all young people, especially those who need us most, to realize their full potential as productive, caring, responsible community members.

Our Purpose

Inspire and empower Club youth to achieve success, and champion opportunities for all young people in their communities.

June, 2025

Dear Friends of Boys & Girls Clubs,

Thank you for your continued support and trust! This past year, our organization has worked to bolster our impact in the community providing nearly six hundred youth daily with safe spaces and connections to positive, caring adult mentors.

I am excited and proud to share this year's impact report with each of you. Please know that each time you engage positively as a volunteer or staff member, make a contribution, or share about our mission, you are investing in our community's youth. This signals to young people that they have a champion in their corner who sees them for who they are, recognizes their potential, and wants the best for them. Together, let us continue to help children and teens thrive, because the future of our community depends on their success. Thank you for being a champion for our local youth, especially those who need us most.

Elements for Positive Youth Development

Boys & Girls Clubs of Southwest Washington is more than just “a place to go after school”. It is a thriving, caring and supervised community full of extraordinary growth opportunities for youth ages 6-18. As they enter our doors each day, each individual is given the opportunity to explore, experience new things and just have fun. And no one is ever turned away for an inability to pay.

Five Things Kids Need to Thrive

- 1. Safe, Positive Environment** ~ Providing continuity, stability and healthy boundaries for everyone's safety.
- 2. Supportive Relationships** ~ Committed to healthy social-emotional learning experiences with peers and adults.
- 3. Opportunities and Expectations** ~ Dynamic and challenging experiences balanced with structured expectations.
- 4. Recognition** ~ Club recognizes and supports each member's personal growth and accomplishments.
- 5. Fun** ~ Creating the en-JOY-ment of healthy activities that foster personal self-worth and community.

Long Term Positive Outcomes

Boys & Girls Clubs of America reports that across the movement, Club members with continued engagement are enabled to become adaptive learners, motivated leaders and healthy decision makers. When members have an optimal Club experience, they are equipped with skills that transfer beyond the Club walls and are more likely to succeed across three priority outcomes.

Academic Success

- Club members who attend regularly are more likely to graduate on time and succeed in the workplace
- 52% of 12th Grade Club members express an interest in a STEM career, compared with 27% of high school seniors nationwide.

Good Character and Leadership

- 57% of Club alumni volunteer once a month or more, compared to 43% of the general population.
- 88% of Club members feel they can stand up for what is right even if their peers disagree

Healthy Lifestyles

- 51% of Club members engage in regular physical activity five days a week compared with 44% of their peers
- Club teens are more likely to abstain from health-risk behaviors *(smoking cigarettes, vaping, marijuana, alcohol use, sexual intercourse or opioid use.)*

Academic Success

97% of Club members expect to graduate from high school.

Good Character & Citizenship

92% of Club members try to help when they see others in need.

Healthy Lifestyles

2X Club members are twice as likely as their peers to have healthy daily amounts of fruits and vegetables.

Enhanced Programs to Respond to the Needs of Youth

HEALTHY LIFESTYLES, ACADEMICS, CHARACTER & LEADERSHIP

Boys & Girls Clubs of Southwest Washington continues to prioritize youths' physical, mental, and emotional safety and well-being. All staff have now been trained in PAX Tools for Human Services, a trauma-informed framework that offers tools and techniques for responding to youth behaviors. Additionally, our Behavioral Support Specialists work closely with staff to respond to incident reports and create success plans for youth.
